Summary

Hi, I'm Lorena, a team player, creative Junior Web Developer with an eye for detail and a drive to deliver high-quality user experiences. Skilled in creating and maintaining websites with HTML, CSS, JavaScript and with a strong focus on React. Unfortunately, I have no experience in this field yet.

Education

Tourism, "Mihai Băcescu" Technical College, Fălticeni (7.81)

septembrie 2018 - iulie 2022

I finished high school at the "Mihai Băcescu" Technical College, in the tourism profile, I graduated with the final grade of 7.81.

Courses

Web Development, IT School (7.50)

aprilie 2023 - octombrie 2023

I started my web developer studies in IT School courses on April 25, 2023 and finished on October 13, 2023. In this course I learned html, css, JavaScript and React. The final grade was 7.50.

Hobbies

Some of my hobbies would be: reading, learning new things, photography, going out in nature, seeking new adventures.
